We need to meet the chieftain first.
I am so firgging tired right now ! I keep telling you to rest up whereever the hell you were staying first !
Sure, you rest I will go see him. Have fun ~
.... Whatever, bitch. You are an evil, I can tell you that.
New information always go through him. I've been away from here for a while. There may be new information about my mother.
Are you sure it's a good idea to bring me here ? I had been hunting women, you know. They may not like me.
Which is why I made you to drag all these stuff. These are gifts, so to speak.
So, just trust me.
쿵
Didn't you tell me to trust you ?!

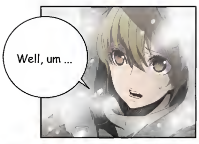
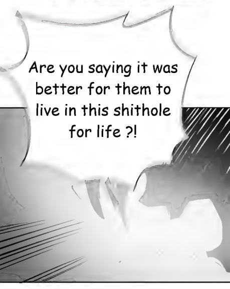
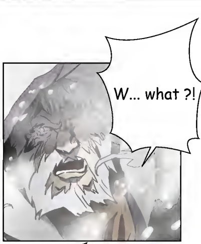
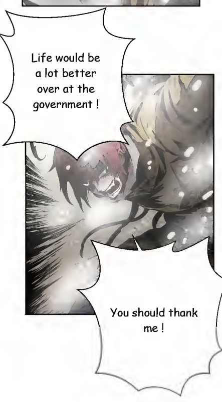
Seungha ! How could you do this to us ?!
Of all people, how can you even dare protecting that man ?!
I am not protecting him blindly ! He can be a great asset to us !
"A great asset" ?! Who the fuck cares ! I am going to kill him !
He is - !
?!
An experimental man.
?!!
What ... ? But that can't be possible ?
Possible. He saved me from hordes of fire temple worshippers.
Even ... even if that is truth, I will cannot forgive him ! No way !
Please listen to me, he did not want to ...
That fucking bastard -
Took my girl from me !!!
Ah ...
It was him ! I remember ! That red hair !
How could you ?! How could you even protect him after what he has done ?!
Many of us here had their daughters taken from hunters !



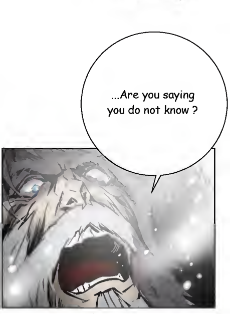


Are you saying it was better for them to live in this shithole for life ?!

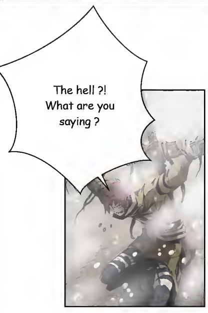




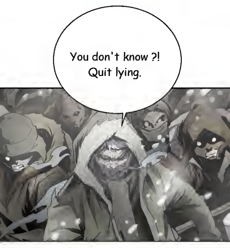
Life would be a lot better over at the government !
You should thank me !



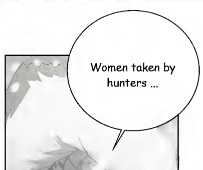
...Are you saying you do not know ?



The hell ?! What are you saying ?



You don't know ?! Quit lying.



Women taken by hunters ...
